Welcome to  
**King Edward VI High School**

Ready **4** Kevi

## Hello and a big welcome to King Edward VI High School!

Thank you for choosing our school, we are very excited about getting to know you and welcoming you to King Edward VI.

In September, you will be taking a very important step by coming to high school for the first time. Some of you will probably be very excited and some of you probably have a few worries! Either way all of you will have lots of questions about coming to KEVI.

Here at King Edward VI High School we try and do everything we can to make you feel welcome at your new school so that you are ready to start in September and can **be the best you can be!**

To help you, your new teachers have put together a website, just for new Year 7s, called **Ready for Kevi**. We suggest that if you haven't visited this website already that you do so as soon as you can! It has lots of useful advice and information about your new school and will help you get ready for September. It also has a virtual tour of the school!

To find out more, just type [readyforkevi.com](https://www.readyforkevi.com) into your address bar on your computer or tablet.

We know that moving to a new school isn't easy and you are probably feeling a mix of emotions about starting at high school. We have written to your parents to tell them when you have the opportunity to visit your new school and meet your teachers and new friends. We look forward to meeting you very soon. In the meantime, make sure you go to Ready for Kevi and fill in the Pupil Questionnaire.

Take care and stay safe.
